Mr Eric Wynn
Director
Kokoda Memorial Foundation
SYDNEY
Australia

Dear Sir

THANK YOU

We wish to thank you for some more high quality clothing which we have received recently. The clothes were received as our early Christmass presents.

This is not the first time we have received such donations from you and we are very happy and thankful to be friends of your organisation, Kokoda Memorial Foundation, its Directors, members and friends.

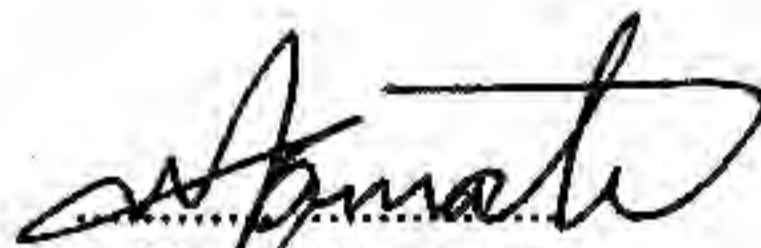

Kindly extend our thanks to the RAAF and its crew members for the transportation of the donations to Papua New Guinea for free.

This letter is signed by each individual staff showing their appreciation.

Yours sincerely
